MISS ELAINE MEYER

Dedication

As we, the "Atoms" of L. H. S. arrive at the day when we must part, each to go his own way, we wish to express our appreciation to our senior advisor, Miss Meyer, by dedicating the annual to her.

Due to her sincerity, her consideration, and her understanding, our days at L. H. S. have been fruitful and abundant in knowledge.

Miss Meyer has been one of the leading factors which has enabled us to cultivate our atomic energy to our advantage and to the advantage of the world.

Goodbye, Miss Meyer. Good luck, and may God bless you!

Homecoming

Homecoming of 1951 began with a mild roar and ended in a bangup explosion when the Lemmon Cowboys defeated the Pierre Governors 7 to 0 on Friday night, October 19th.

The coronation ceremonies took place Thursday night, October eighteenth. The identification of the Queen was kept secret until then. Candidates for Marshall were Kenneth Ashmore, James Duncan and Clifford Rafferty; Queen candidates were Beverly Allart, Lillien Krischen, Georgine Rustad, Norma Jean Sattler and Jean Wanstedt.

A breathless hush settled over the audience when Queen Jean Wanstedt entered the school gymnasium at the side of Kenneth Ashmore, Marshall. The welcoming speech was given by the Marshall; then the queen was crowned. Queen Jean gave her address to the audience and was presented a bouquet of roses by Clifford Rafferty.

Entertainment was provided by the girl's glee club, and a group of ten juniors who danced before the throne. Also the freshmen put on a one act play.

After Coronation the students snake-danced out to the football field for a bonfire and pep meeting. Still later they proceeded to the Palace Theater where they saw a free show.

A float was made by the school for the Homecoming royalty, on which they rode out to the football field on Friday night. At the start of the game Queen Jean kissed the ball. During the first and second quarter of the game no score was made, but in the third the Cowboys scored and made their extra point. The Pierre Governors threatened in the fourth quarter but did not score. This was the last game of the football season because of the cancellation of the Mott and Belle Fourche games.

The Cowboys started the season with a bang by upsetting St. Marys of Bismarck, the Class A North Dakota champions. But the energetic boys didn't stop there. The next on the list was Dickenson, North Dakota, who the Cowboys took in stride for their second victory. Next in line was Baker, Montana, followed by Mobridge, then Hettinger and Pierre for homecoming.

The Mott Cardinals and the Belle Fouche Broncs cancelled their games with the Cowboys because of bad weather, and the season ended with six wins and no losses. The team rolled up a total of 126 points to the opponents 24 in the six games. The undefeated season is the first L. H. S. has had since 1944.

Splitting The Atom

POME

You kissed and told.
But that's all right.
The one you told
Called up last night.

Kenny Friez: After the game I asked if I might see her home.
Jim La Bau: What did she say?
Kenny Friez: That she would send me a picture of it.

Mr. Boint: "Quote a Scripture Verse."
Clara Walters: "Judas went out in the garden and hanged himself."
Mr. Boint: "That's very fine. Quote another."
Clara Walters: "Go ye and do likewise."

Bob Lorenz (writing a story): "This is the plot of my story, A midnight scene; two burglars creep stealthily toward the house. They climb a wall, force open a window and enter a room. The clock strikes one."

Babe Allart (breathlessly) "Which one?"

For nearly an hour Stanley Swanson had been lecturing to the seniors in the English literature room. At last he stopped and said in impressive tones, "I pause to ask myself a question."

"Better not," came Lloyd Tomac's voice from the back of the room. "You might get a foolish answer."

Mr. Crosswait: "What is the quickest way to make sawdust?"
Bernard Kling: "Er, uh, um. . . . . ."
Mr. Crosswait: "Come, come, use your head."

Richard Kane: "Great scott! I've forgotten who wrote Ivanhoe."
Selmer Hagen: "'I'll tell you if you'll tell me who the dickens wrote "The Tale of Two Cities."
